Christopher Liam Rose has been writing in journals since 2015 – Present and how many journals of his past life and experiences within the journals. Christopher Liam Rose & Karen Meechan's professional relationship was from 2014 – 2020 when Karen Meechan supported Christopher Liam Rose in Psychological Therapy 2 times 1) Psychology & Counselling in 2014 2) Psychology & Counselling in 2018. Christopher Liam Rose has experienced serious life setbacks and challenges which Karen Meechan helped me to deal with. Because of Karen Meechan, I can live a normal life and I have recovered from mental health illness.

Dag Heward Mills (Teacher, Pastor, Evangelist) – Dag Heward Mills has been my spiritual Christian father and leader in my Christianity & Spirituality. I have been attending Dag Heward Mills church called Lighthouse Chapel International #LCI 2014 – present.

Christopher Liam Rose respects and honors Dag Heward Mills for all of his teachings, sermons, videos and audio that he has been learning from since 2014. Dag Heward Mills is one of the main reasons why Christopher Liam Rose has stayed in

faith, Christianity, and Spirituality.

I have become an Evangelist and Teacher in Christianity and Faith based on Dag Heward Mill's Teachings. I owe my Christian walk with God to Dag Heward Mills and I am very grateful to be a part of Dag Heward Mills church and congregation.

Jiddu Krishnamurti (Spiritual Teacher, Philosopher) – Jiddu Krishnamurti is a very special spiritual teacher and philosopher that helped me with Spirituality and faith. I discovered Jiddu Krishnamurti's Videos Series – A Wholly Different Way of Living with Dr Allan San Diego 1974 on YouTube when I was going through a mental health crisis and breaking up with my ex-partner. Because I watched Jiddu Krishnamurti videos talking about Spirituality, Meditation, Mindfulness, God, Faith, and Religion I started to become a Spiritual person and was practicing meditation and mindfulness. Jiddu Krishnamurti is the main reason why I have changed all of my life spiritually and become a very spiritual person. Jiddu Krishnamurti helped me to find Spirituality and God and I would have not been able to achieve Spiritually Freedom from the known without Jiddu Krishnamurti's teachings. I have a spiritual aura and spiritual presence because of the teachings of Jiddu Krishnamurti who is my spiritual teacher and spiritual philosopher.

Jesus Christ & God – This has become the most important thing in my life to learn and understand Jesus Christ & God. My faith, Spirituality, and Christianity are very important to me, and being with Jesus Christ & God makes me Spiritual. Being a Christian and learning about Spirituality and Christianity has become everything to me and more. My love and devotion for Jesus Christ and God is everything and that is why I can be an Evangelist and Teacher in Faith, Spirituality, and Christianity.

My spiritual hero is very important to me in my life story and journey, and they are all the reasons why I have become a spiritual person.

I want you to understand dear readers that you can become spiritual and live a meaningful productive life. My life has been very difficult and challenging but I would change any of my life experiences because they made me who I am today. The only things I would change about my life are the things I did to hurt other people like --ex- partners, family, and childhood abuse. My life is not perfect by any means, but I have learned very important life lessons that I want to share in my life story. Please remember readers I am only a human being, and I am not perfect but I want you to feel inspired and hopeful about your future, and by reading my books you will find faith, Spirituality, and Christianity and become the person you want to be
